

The Longest Trip Home

Finding your place in the world can be the longest trip home . . . In his bestseller, *Marley & Me*, John Grogan perfectly described one family's love for their wondrously neurotic dog. He made us laugh and cry, and showed how unconditional love can come in many forms. Now, in *The Longest Trip Home*, John writes with the same honesty, openness and humour about the relationship between a son and his parents. As a bad boy in a good family, John didn't always live up to his parents' expectations, but as a man he came to understand the love they gave him every day of his life. In *The Longest Trip Home* John describes his painful, funny and poignant journey into adulthood. A fateful call from his father would lead him on the next leg of his journey - the trip back home. At its heart, this is a universal story about growing up, and making peace with your parents before it's too late. As warm and moving as *Marley & Me*, *The Longest Trip Home* is a tribute to the power of family and love.
