Sheet Music Spiritus sanctus vivificans vita - SATB a cappella - Difficult - Ordinary of the Mass, General, Pentecost - Frank Ferko. - Choral - There are two principal concepts that form the foundation of this motet: color (literally, visual color as well as harmonic color) and text painting, both in overall sections of the piece and also in relation to specific phrases of the text...The entire vision in my mind is one full of rich colors and in which all seems to be moving very slowly through eternity. -Frank Ferko c. 5:30 USE: services, concerts, skilled church choirs, college, professional choruses - ECS Publishing
