

Chaos by the Unbreakable Curse

Luce Elenrus is an Enochian Mage who doesn't know about his parents and is brought up by his uncle Elric. The story takes place in a Gothic world where angels have attacked the great kingdom and demons have captured it. There is chaos everywhere and the high council of thirteen paragons are striving hard to restore the balance. Eventually Luce teams up with a new friend whom he considers also as rival named Jake, a prince of fallen kingdom who seeks vengeance for attacking the kingdom. Luce gets the most dangerous curse and it seems the only solution is death. As the story proceeds they save a girl named Ira who is being charged for murder. Luce, who had fallen into the wrath of a powerful goddess joins with Jake and Ira, for the quest of seeking mercy and saving himself from the icy hands of death, unaware of the danger and the master mind behind all the events.
