

Jennys Shelter: A Detective Dan Gold Novel

A dismembered floater is the last thing Northville Detective Dan Gold wants to find on a dreary autumn day. Kelly, a young runaway, discovered a gruesome corpse in the midst of her own suicide attempt. Dan suspects she has further information. Fortunately, Kelly is taken to Jennys Shelter, a shelter for homeless children run by Dans old acquaintance Jennifer Collier. Jenny built the shelter with her husbands money and is admired by everyone in the community. Dan finds himself drawn to Jenny in romantic ways. Despite Jennys marriage and the protests of Golds partner, Xander Nicholson, the relationship grows deeper. But as the relationship grows, it leads Dan to more bodies, more crimes, and some very unpleasant possibilities about Jennys real work. Aided only by Xander and the children at the shelter, Dan works through layers of secrets, deceptions, and half-truths to discover why his town is full of corpses.
