

## Finding My Voice, My Story

Russell Watson, The Voice, was given his big break in May 1999 when the chairman of Manchester United invited him to sing at Old Trafford. His extraordinary performance was quickly followed by a record deal and his phenomenal debut album. Despite his outward success Russell has faced struggles in his private life, when details of his bitter divorce were splashed across the tabloids, and when he was struck down, not once, but twice, with brain tumours that threatened his voice, his sight and his life. Now he tells how he overcame the odds to become one of Britains favourite stars.
