

Choklit: A Confection of Girlfriends

In shoo g-er, Joanna walked us through her sisters tragic death. The story continues as Joanna spends the years following her sisters murder in search of someone to replace Deb. Of course she turns to her girlfriends. Through a season of searching to fill the hole, she learns to appreciate each girlfriend for her unique qualities and how they mirror a slice of Debs personality. Sentimental and subtly humorous, Choklit explores the raw power of girlfriends.
