

You're Coming With Me Lad: Tales of a Yorkshire Bobby

Policing rural Yorkshire is a far cry from Mike's old job hunting down drug gangs and knife crime in Central London. Settled back in his native Yorkshire, the former Metropolitan Policeman finds that life as a rural beat bobby is no picnic. After a crazed swordsman threatens to take his head off, he finds himself confronting a knife-wielding couple bent on carving each other up. When a stag night turns ugly he ends up with the groom, the best man and the bride-to-be all banged up in the cells -- and the wedding just hours away. With record-breaking floods and politicians to escort, will Mike find time woo the woman of his dreams?
