

Croak Addict: Hooked on Losers (Croak Addict Series) (Volume 1)

Do you ever feel like you're not pretty enough, good enough or skinny enough to get and keep a man interested in you? Are you in a dysfunctional relationship just because you're scared to be alone or feel like nobody else will want you? Do you feel lonely, empty, isolated or invisible to the world most of the time? Are you basing your worth and beauty on how many compliments, looks or Facebook Likes you receive? Do you ever feel like you'll never get married? Are you sick and tired of hearing about everybody else's Mr. Right (the prince) while you're trying to force things to work with your Mr. Wrong (the frog)? Do you hand over your power to men by letting them use you for money, sex, leisure, etc? I've been there, and I know what it's like. Up one minute if a man calls you beautiful, down the next if a man walks by and doesn't seem to notice you. Every second of waiting for another human being to define you and validate you is exhausting, unstable, confidence-crushing. I call it being a croak addict. Living like this breaks your spirit, makes you very insecure and vain, and makes it impossible for you to truly enjoy life. The thought of never being enough gnaws at you, pushing you to post the next selfie or meet the next man in hopes of hearing something that will make you feel better about yourself. But, don't worry. You can make the misery and the suffering stop. You can start feeling gorgeous and happy in your own skin everyday, which will help you attract better quality men. And it's not as difficult as you may think! Croak Addict documents my broken journey. I will show you how I regained my self-confidence and je ne sais quoi...and how you can, too! You'll learn several important keys in this book: .Signs of a toxic relationship. How to cultivate a healthy self-esteem and sense of self-worth. The spiritual, mental, physical and emotional effects of being used sexually. How to take back your power and

find your voice again. How to cut soul ties and break away from your ex forever. How to feel beautiful and good enough without others telling you that you are. The A-ha! moment I had that gave me the breakthrough I needed
