

## More Bleaklisted Books (The Feline Central Books Book 3)

Many moons ago a despotic cat named Charlie decided that he wanted to be a book critic. It would fit so nicely with his existing roles as food critic, dog critic and owner critic. Thus The Bleaklisted Books was born and Charlie has never looked back. More Bleaklisted Books sees Charlie review (pull to pieces) a new array of literary masterpieces, including The Mill on the Floss, The Lord of the Rings, The Merchant of Venice and Anne of Green Gables. Hold on to your literary hats as this dictatorial feline presents these books in a way you never would have imagined... (Parental advisory: Our cats cannot be trusted to moderate their language. Sorry kids, this isnt for you!)
